THE EUROPEAN GREEN CAPITAL NETWORK AIMS TO INSPIRE CITIES WORLDWIDE TO BECOME MORE SUSTAINABLE AND CLIMATE-RESILIENT BY CREATING A GREEN MOVEMENT

SIGNED BY THE EUROPEAN GREEN CAPITAL NETWORK ON 23 NOVEMBER IN NIJMEGEN

SUPPORTED BY
We will:

• Strive to limit global warming to 1.5°C
• Work on achieving the SDGs
• Enable green movements
• Engage in partnerships
We call upon all cities to:

• Set ambitious targets

• Work together with businesses, academia and civil society
We call upon all national governments and international institutions to:

• Acknowledge the important role of cities
• Push for an ambitious Paris Roadbook
• Involve cities early in decision-making process
We offer:

**European Green Capital (EGCN)**

**About the Network**

During its European Green Capital Award-winning year in 2014, the city of Copenhagen created the concept of the European Green Capital Network (EGCN), exclusively dedicated to the previous winners and finalists of the award.
